DURING the culargement of their establishment Messrs. George F. Timms & Co., of the popular one-price clothing house, 319, southeast corner Seventh and D streets, will give a discount of 10 per cent. on all goods now on

enth and L streets southwest, he suddenly fell to the floor, and before any one reached him he was dead. Coroner Patterson was notified, but after viewing the body deemed an inquest unnecessary, stating that death was caused by consumption. The deceased has been connected with various river steamers in this vieinity for a number of years, and was a great favorite with all with whom he came in contact. As a token of respect to his memory all the vessels in the harbor yesterday had their figs at half-mast. Deceased, who was ammar-

A Sleepy Newsboy's Casualty. Between ten and eleven o'clock last night a newaboy named James Richardson sat down

on the curbstone near the St. Marc Hotel, and was soon fast asleep. While in this condition an express wagon came by, and the driver not seeing the sleeping boy, one of the wheels passed over his right ankle, cutting a terrible gash and injuring some of the smaller bones of the foot. Richardson was taken into Gilman's drug store by Officer Smith and Detective Melifresh, where his wound was dressed by Dr. ranzoni. The police ambulance was then alled into requisition and the sufferer con-reyed to his home, corner of Virginia avenue

A Lively Session of the National Association.

Hot Campaign for the Presidential Chair-Mr. J. E. Briggs Finally Elected-Charges of Corruption and Bribery Made Against the Opposition-The Boys Taking Lessons from Their Seniors

orday in the dining-room of the National Hotel. In the absence of President Hall Mr. Delavan W. Gee, recording secretary of the association, called the meeting to order. After a few preliminary remarks the names of Mr. George W. Baildon, of Brooklyn, N. Y., and Mr. J. Edson Briggs, of this city, were proosed for the chairmanship pro tempore.

was proposed and accepted.

The regular routine work was begun by the calling of the roll. Eleven members out of about two hundred were found to be present. A recess of fifteen minutes was taken to allow the committee on crodentials to report. Twenty-five or thirty names had been proposed for membership, and of these eleven were re-jected. This caused great excitement among certain parties of the association, which was partly quelled by the successful motion to decide upon their eligibility by the convention assembled. Seven of the rejected names were thousand the rejected names were the rejected names were thousand the rejected names were the rejected names and rejected names were the rejected names and rejected names were the rejected names and rejected names and rejected names and rejected names are rejected names and rejected names and rejected names are rej thereafter accepted.

The collection of dues was then taken and

for the purpose of satisfying the demands of the inner man. The wants of nature having been satisfactorily attended to, the meeting was once in the case of in the case of again called to order.

The reports of the treasurer, two secretaries, and official editor were then read and accepted, Each of the several officials presented bills against the association for expenses incurred, some of them amounting to \$25. Mr. C. Clem-ent Chase, editor of the official organ, kindly presented to the association a receipted bill of \$5.

Communications of regret from non-visiting amateurs were read to the assembly, which plain lent a pleasant variation to the otherwise not overinteresting proceedings. The counting of the State ballots for the election of officers for and t he ensuing year was then begun. As it was nsumed in this performance, and that many of the proxy votes were illegal, and further, that a hot and undesirable discussion would be the result, it was moved and carried that

also a system of bribery and fraud, such as would have made even the Houses of Congress blush. Mr. Fynes boasted that his election was beyond question, and that \$300 were at his disposal for its accomplishment. Tellers being appointed to receive the ballotis, the balloting was begun. Three candidates were in the field, Mr. J. Austin Fynes, of Boston; J. Elson Briggs, of this city, and Arthur J. Huss, of Ohio. The latter gentleman was not present. Without entering into further details, the balloting resulted in the election of Mr. J. Edson Briggs, which announcement caused loud cheering.

Subsequently a motion to adjourn till halfpast eight p. m. prevailed. Supper was the cause thereof. On reassembling the successful candidate occupied the chair, and the election

candidate occupied the chair, and the election of the remaining officers was proceeded with, resulting as follows: First vice-president, Will. resulting as follows: First vice-president, Will.
L. Wright, of Cairo, Ill.; second vice-president,
Arthur B. Perry, of Norfolk, Va.; third vicepresident, Herbert O. Clarke, Rodney, Miss.;
recording secretary, G. Fred. Eberle, Philadelphin, Pa., and corresponding secretary, F. N.
Reeve, Newark, N. J.

The meeting then adjourned till ten o'clock

to-day, when the election of the treasurer and official editor will take place and a general ousiness be transacted.

The Committee on Buildings and Repairs of the Board of Public School Trustees, had a contest are highly indignant at the action of the opposition, which they claim is composed almost entirely of persons not entitled to mem

A Mean Act.

An act of "pure cussedness" was witnessed by many spectators on Pennsylvania avenue. near Eighth street, about four o'clock yesterpapers on the corner named, and, apparently without any cause, snatched the five papers

hawking them. Last night a person claiming to be a friend of one Will O'Brien, but supposed, from several luadvertencies of speech, to an O'Brien himself, called at The County of the breff." But the master declined to propose the county of the breff." posed, from several loadvertencies of speech, to be O'Brien himself, called at The Republic and gave a glowing account of an encounter between O'Brien and four unknown men, in which O'Brien put all of his assailants to flight. As the name is the same, the presumption is that O'Brien's lively imagination transformed the crippled boy into four statwart men, and he took great credit to himself jectionable as it may be in itself, to the reason-

flogs at half-mast. Deceased, who was unmar-ried, load a mother and niese living in Balti-more, M.L. who came over to this city last evening to make arrangements for his funeral. counter between William H. Murphy, door-keeper at the main entrance of the office, and a discharged employee, who was particularly others, the result is natural. There are alleys Good style Lawns, five, six, eight, ten, and twelve cents; all-wool Binitings, twenty cents up; summer Dress Goods at cost; bargains in black and colored Silks, seventy-five cents up; states of the building, and Murphy and westerly winds followed during the evening by lower temperature and rising arometer.

Good style Lawns, five, six, eight, ten, and twelve cents; all-wool Binitings, twenty cents outlit not be seen. After some warm words, the visitor accused Murphy of lying and Murphy ing the evening by lower temperature and rising accounter.

from marked prices during the progress of extensive improvements, at George F. Timms & Co.'s one-price clothing house, 319, southeast corner Seventh and D streets. "NOTHING NEW UNDER THE SUN."

A Nibble by Mouse in the Corner. I was once a most devout believer in the above theory. Nothing short of a residence in the Capital City of the United States could have converted me to the opposite heresy. Now I am confident, on the other hand, that there is no end to the new things one might find by nosing around in the alleys and back yards of feations of the plan. No conclusion was reached, although it was proposed to use, instead of pressed-brick, common hand-made plod boy about ten years old, who was called. pled boy, about ten years old, who was selling out paying a carter for carrying it away are as multitudinous as the great variety of brains which hatch the plans; but the prime favorite which the boy had from his hand, and, de- seems to be to dump it down at a neighbor's alley liberately tearing them into pieces, left the litto weep over his loss. A witness of it carted away, should his deconcy outweigh the affair reported the circumstances at once to Officer Dubois, and that officer wont in pursuit of O'Brien, capturing him in a restaurant by our matchless government, when in the abon Eighth street.

The officer gave him the choice of paying for the papers or being arrested on the charge of destroying private property. O'Bries evidently thought it would be cheaper to pay for the papers and he took that course. So the affir ended fortunately for the boy, who thus disposed of his papers without the trouble of hardeling them. Last slight a recommendation of the tail, he bawled at the top of his voice.

> jectionable as it may be in itself, to the reason-ably fastidious its greatest fraud is a private matter and not potent to the general public. The company exact \$1, in advance, each time they cleanse and fumigate a night closet (I be-lieve such is the enigmatical name by which Printing-Office yesterday morning by an en- the institution is known here, where it seems all over this town into which the contents of numerous closets of this kind are overflowing; and some people even, who preserve the form could not be seen. After some warm words, the visitor accused Murphy of lying, and Murphy of the building, and followed him down the steps. When the two reached the street, the visitor pitched into the doorkeeper and a lively fight was in progress when some of the attaches of the office accurated them. Murphy is wearing a black One man, who owns his own property and is a man of some means, has one of these boxes attuched to his own residence, which is so m

sudden Disappearance of a Returned Argonaut.
A gentleman named Mead, from Baltimore.

called at Police Headquarters yesterday to ask ssistance in finding his brother, William H Mead. William H. Mead went to California six years ago. Last Sunday he arrived in Washington on his way to Baltimore, and tele graphed to his brother in Baltimore about seven o'clock in the evening: "Missed connec tions. Will be in Baltimore to-morrow.' When he sent the dispatch the telegraph operator told him that if he would wait an operator total mint that it he would wait an hour or so he could have a reply. The man waited at the office some time, and then went away without a reply, since which time no trace of him could be found. Shortly afterward a dispatch was received from the brother in Baltimore, telling him to "come on at once." As he did not "come on" in answer to the dispatch, the brother came to this city yes-terday to make a search, and furnished a de-scription of the missing man to the police. He is forty years of age, five feet une inches in height, with smooth face, and when seen last Sunday were a broad brim black slouch hat, a greyish coat, and heavy boots, and is described as looking used up or travel-worn.

CITY ITEMS.

Fon flavoring, use only Burnett's Extracts. What intense pain is caused by toothache. How many sleepless nights and weary days are due to its raging influence. Yet the true cause of all this torment is decayed tooth, produced by neglect and institution. Could only those who have at present good, sound teeth fully realize this fact, how careful would they be to keep their teeth in good condition. To all such we will give a word of solvier. Clean your teeth daily with a good dentifice, such as Thurston's Ivoay Prant Tooris Powber. It will preserve your teeth through life, remove all tariar or extraneous matter, keep them clean, sound, and white, and toothache, with all its horrors, will be unknown. Sold by all druggists, &c., at 25 and 50 cents per toutle.

How many thousands suffer from billiousness, despensia, &c., and drug on a interable existence-not ill circumstance of the control of the con

Wells' Machine-Spread Streetherson Plasters are superior to all others. Composed of choice medicinal gums, combined with the true Burgurdy Pitch, spread on the soft lumbskin, they afford mechanical support to the affected parts, and, acting by absorption, relieves almost instantly. For pains in the back or side, caused either by indigestion, rheumatism, or strain, they are unrivaled. Sold by all druggists; 25 cents each. THOMPSON'S PONADE OFTIME an cleaglnous com

pound of great merit for dressing and cleansing the hatr. Sold by all druggists; 25 and 50 cents per

BUTLER'S BAISANIC MIXTURE, the old infallible remedy. Sold by druggists; price, \$1 per bottle. WILDOR'S COMPOUND OF PURE COLLIVER OIL AND LINE.—The advantage of this compound over Willors Conform of PURE Con-Liver Oil
And Line.—The advantage of this compound over
the plain Oil is that the name ating tasts of the Oil
is entirely removed and the whole removed entirely pulatable. The offensive twice of the Oil has long
metal as a great dejection bits use; but in this form
the trouble is entirely obviated. A host of certificates might be given hore to testify to the excellence and success of "Willors Cod-Liver Oil and
Line." but the fact that it is regularly prescribed
by the medical faculty is sufficient. For sale by A.
B. Wilbor, Chemist, Boston, and by all druggists.
